### DESCRIPTION:

The textbook that will also be used as a life-long reference is now packaged with a student study guide. Co-authors Ruth Westheimer, EdD and Sanford Lopater, PhD form a compelling team to offer a text that integrates clinical experience with academic expertise, demonstrating a proven ability to make this subject accessible, understandable, and engaging. LWW supports every instructor's individual style and educational priorities, and gives students an extra edge with these ancillaries: imagebank, instructor's guide, test generator (written by co-author Sanford Lopater), lecture presentation slides, continuous online content updates, Web resource links, student study guide, and an introductory video by Dr. Ruth Westheimer.
