DESCRIPTION:

"Male and Female Sexual Dysfunction" provides an authoritative, comprehensive and clinically-orientated guide to both the background causes and full range of treatment options for patients suffering from impotence and sexually-related dysfunction. The book is a concise and practical text, enhanced with specially commissioned computer graphics and full color illustrations. It is one of the first titles to comprehensively cover the new developments in treatment of female sexual dysfunction. Throughout, there is a wealth of information on new therapies, and the very latest information on drug treatment. The book includes innovative treatment algorithms, summary boxes, and patient vignettes, and has been produced to a tight time-frame to ensure a current approach.
