Precio: 119.04 113.06	Iva no incluido	

DESCRIPTION:

Confidently evaluate and treat virtually any traumatic eye injury you may encounter in practice—from chemical injuries to blast injuries to perforating injuries. This new resource provides all the hands-on how-to's you need to stabilize an ocular trauma patient, diagnose their problem, manage it if possible, and make a referral when necessary. With its practical advice, many informative illustrations, and instructive videos on DVD, Ocular Trauma is your ideal resource for managing all forms of ocular injury.
