**DESCRIPCION:**

The sixth edition of Occupational Therapy for Children maintains its focus on children from infancy to adolescence and gives comprehensive coverage of both conditions and treatment techniques in all settings. Inside you will discover new author contributions, new research and theories, new techniques, and current trends to keep you in step with the changes in pediatric OT practice. This edition provides an even stronger focus on evidence-based practice with the addition of key research notes and explanations of the evidentiary basis for specific interventions.

**INDICE:**

1. An Overview of Occupational Therapy for Children
2. Foundation for OT Practice with Children
3. Development of Childhood Occupations
4. In Transition to Adulthood: The Occupations and Performance Skills of Adolescence
