DESCRIPTION:

In this reference work, more than 6,500 structures named in the Nomina Anatomica Veterinaria (N.V.A.) are depicted and defined, aiding the user in understanding anatomy and in clarifying its concepts. On the right page, are detailed anatomical drawings, on the left page are the terms with a short explanation. The arrangement of the content adheres strictly to that of the N.A.V. and focuses on the gross anatomical structures of the cat, dog, pig, ox, sheep, goat, and horse. Completely updated to incorporate any new nomenclature.
