**DESCRIPTION:**

Comprehensive and fully up to date, the six-volume Plastic Surgery remains the gold standard text in this complex area of surgery. Completely revised to meet the demands of both the trainee and experienced surgeon, Trunk and Lower Extremity, Volume 4 of Plastic Surgery, 5th Edition, features new, full-color clinical photos, procedural videos, lectures, and authoritative coverage of hot topics in the field. Editor-narrated video presentations offer a step-by-step audio-visual walkthrough of techniques and procedures.
