DESCRIPTION:

Packed with questions and answers to prepare for ABIM certification and maintenance of certification (MOC) exams in interventional cardiology, *Interventional Cardiology Board Review: 1400+ Questions and Answers, Fourth Edition*, is your go-to resource for exam success. Drs. Debabrata Mukherjee, Richard A. Lange, and Saurav Chatterjee use a real-world, multiple-choice format that closely follows the exam blueprint, along with hundreds of images, tables, and all-new videos that mimic what you'll encounter on the exam. Detailed answers and explanations for each question provide an excellent resource for review as well as improve your ability to provide effective, evidence-based patient care.

- 1,400 multiple-choice questions directly align with ABIM certification and maintenance of certification (MOC) exams in interventional cardiology
- All of the questions for this fourth edition are new and reflect recent advancements, including the latest catheterization-based techniques for treating coronary, peripheral, venous and valvular heart disease
- Updated clinical guidelines from the American College of Cardiology/American Heart Association
- Ideal for interventional cardiology fellows and practitioners, as well as an in-depth training resource for nurses, technicians, NPs/PAs and general cardiologists
- All questions and answers are included on an interactive quizzing platform on the VST ebook
- Enrich Your eBook Reading Experience
- Read directly on your preferred device(s), such as computer, tablet, or smartphone
- Easily convert to audiobook, powering your content with natural language text-to-speech
