DESCRIPTION:

Essential Revision Notes for the European Exam in Core Cardiology provides a comprehensive review of the material you need to pass this challenging exam. Based on the bestselling Essential Revision Notes for Cardiology KBA, this new resource has been fully updated and refreshed to reflect the ESC core curriculum for cardiology.

Written in a revision notes style with lists, bullets points, and tables, this resource helps you absorb information and grasp essential facts quickly. Each chapter is written by a senior cardiology trainee in collaboration with a senior consultant who has expertise in that specific field, ensuring that the content is both authoritative and accessible.

Drawing on the editors' and contributors' experience and expertise, Essential Revision Notes for the European Exam in Core Cardiology is a trustworthy revision guide for cardiology trainees, as well as a useful reference for practising cardiologists.
