DESCRIPTION:

Concise, up to date, and easy to use, Step-Up to USMLE Step 2 CK, 6th Edition, makes essential information engaging and retainable. Drs. Latha Ganti, Shayne Gue and medical student Thor Stead deliver a high-yield, systems-based review. The popular and effective Step-Up outline format gives you access to exactly what you need to ace the USMLE Step 2!

- Focuses on the content you need for quick, efficient study, helping you quickly memorize essential information
- Includes USMLE-style end-of-book practice exam for realistic test-taking practice
- Includes new Case Presentations and Case Conclusions in each chapter
- Includes full-color illustrations, "Quick Hits," and mnemonics that clarify must-know information on causes, risk factors, history and physical exam, lab studies and radiology, treatment, and complications for the most common diseases and disorders
- Contains "Next Steps" margin notes that guide you through patient workup, and easy-to-follow algorithms that demonstrate effective clinical reasoning

Enrich your eBook reading experience

- Read directly on your preferred device(s), such as computer, tablet, or smartphone.
- Easily convert to audiobook, powering your content with natural language text-to-speech.
